Satan's Major Inroad To The Minds Of Our Teens

by Deacon Ralph

Warning: This could be my most unpopular blog yet!

There is a phenomenon happening right before our very eyes, and yet I have been watching it over the past decade. I started looking at it because it was affecting my family, and surprisingly, I did nothing about it.

What if I told you that Satan has been preparing to capture your teen's mind for several years and he has a great chance of doing so by the time they're living on their own? In fact, you might actually be paying fifty to one hundred and fifty thousand dollars for that deception.

While preaching a mission out of town, I was having dinner with the parish mission team at a popular local restaurant. It was a sports bar type of establishment with TVs everywhere. I looked up at one moment and saw what appeared to be parents or at least alumni of whatever college team was playing at the time.

The level of passion this one woman was displaying after a big play was made captivated me. She was all into that game. Her energy was very high and she was a serious fan. No doubt she was having a wonderful time, sharing in this fun experience.

I think it is safe to say that a high percentage of those adults who graduated from a University are faithful fans of their school's sports team, especially if they are from the big program schools. Those adults then get married and have kids that they would "love" to see go to their alma mater, thus keeping the excitement of their college alive within the family. There is nothing morally wrong with any of this. What fun!!!

Where it becomes challenging is for the Christian/Catholic who has come to encounter Christ in their young adulthood and now finds themselves with teen children preparing to go to college. They are now conflicted because they love their alma mater, but they now have a different worldview that is not being promoted by their school. In fact, very few colleges and universities have a Christian/Catholic worldview.

Our teens leave for college believing in Jesus and hopefully walking with him. Then they graduate from their university strongly challenging the existence of God. Parents, who continue to learn more about God's truth, are waking up to the lies that Satan has been spewing in the world. They want to share their concern with their own kids, but now find their grown children not only absent from church, but living in mortal sin.

What is the value of preparing our teens for life on earth only to discover that our guidance actually led them away from attaining life with God in heaven?

Satan is real, and he is playing for keeps. All he wants to do is destroy human lives that were meant for so much more. He wants to rob us and our children of our true identity as sons and daughters of God.

I believe parents must wake up and pay strong attention to the colleges we are sending our teens to. We need to look beyond the great athletic programs or even amazing Ivy League reputations, and pay attention to what they are teaching our children.

Parish & Community Events

Satan's Major Inroad (cont.)

Is your relationship with the living God the most important part of your life? If it is, then it should trump all other considerations when guiding our teens towards colleges. Unfortunately, there are many Catholic universities (and high schools) that are "Catholic" in name only. Their roots may still say Catholic, but all you have to do is watch what their student life programs promote, and you will see their real stripes.

I know plenty of parents who are looking back and quietly questioning why they allowed their teens to go to that school. They were taught nothing but anti-God secularism, socialism, and a great lack of appreciation for this amazing country.

Parents, the time has come for us to share our concerns so that future generations can get back on course and meet us in Heaven. Do the work, study, prepare, and pray because you must be able to explain why your kids can't go to the universities that everyone else is going to. Come Holy Spirit & help us!

Diocesan Ministries Appeal

This past week the 2019 diocesan ministries appeal letter was mailed to all homes in the diocese. This year's theme is, "Forward with Faith." The DMA offers us an opportunity to do our part to support the ministries that help to build the church right here in the Diocese of New Ulm—ministries and services that no single parish could provide. Next weekend we will see the DMA video. Be assured that your gift will only be used to support those ministries designated in the DMA brochure and no other.

Free will donations will go to the Common Cup Backpack Program, which makes sure all students in need go home for the weekend with food & personal supplies (soap, toothpaste, shampoo, etc).

Meal preparation is covered, but we will need volunteers to help with set up of the cafeteria, clean up, serving, greeting, packing up delivery meals, etc. Many thanks to the fantastic members of the DAV who are making it possible for us to deliver meals and to bring folks to and from the dinner!

We need four 9 x 3 pans of goodies for those who come but don't want a full breakfast—just a snack on the go. Thanks!

Thanks So Very Much!

Thank you to everyone who helped make our Trick or Treat for the Food Shelf such a great success! Thanks to our coordinators, the folks who set up & took down, the map makers, the map followers, the students who ran up and down the longest driveways in the county, the drivers who got them there and back again and to everyone who donated to the program. Thanks to all of you, we collected over **12,000 lbs** of food for the Food Shelf! You're the best!

Christmas Memorial Flowers

If you would like to purchase a Christmas plant in honor of a loved one(s), please put your donation marked "Flowers" in the collection basket at either St Boniface or St Anastasia. Please include the names of those you would like remembered in prayer at this special time of year. Thank you!

A Great & Glorious God

We are nearing the end of the liturgical year. Today's readings remind us that our own lives will draw to a close one day, and we can be certain that the Lord will encourage, strengthen, and save us—both now and at the last. The astonishing story of the Maccabees invigorates our faith as we behold an entire family willing to die rather than deny the Law of Moses. The psalm response echoes the faithful cries of the Maccabees: "I call upon you, for you will answer me, O God." That same confidence appears in Saint Paul's letter to the Thessalonians. "The Lord is faithful," he testifies; "he will strengthen you and guard you from the evil one." In the Gospel, Jesus explains just how long God's protection will endure. The children of God whom God guards, Jesus says, will live forever like angels.

Diocesan Men's Retreat

Our diocesan Office of Adult Faith Formation will be offering a weekend men's retreat called **"Spirit & Truth: Catholic Men's Retreat."** This retreat will focus on the role of men in the family and in society, the reality of spiritual warfare, the importance of the Mass, our identity as beloved sons of God the Father, the need for a personal relationship with Jesus and our Blessed Mother, and how to start a daily life of prayer. The first retreat will be offered **Dec 13-15, 2019** at Schoenstatt-on-the-Lake in Sleepy Eye. The cost is \$200. Visit www.dnu.org/spirit-truth for more information or contact Dcn. Mike McKeown (mmckeown@dnu.org).

Eucharistic Adoration

We currently have 3 shifts open. If you would be interested in covering a shift (or taking them once or twice a month) please call Patti Hoerner or Coletta Wortz. Of course you are always welcome to stop in at any time for as long as you care to be there. Jesus is always ready to spend time with you!

our goal!

"Give to the Max Day", **November 14, 2019**, is a day set aside for schools and nonprofits to raise money for their organizations. More than 250,000 donors have used GiveMN to make a difference in their communities. Its online giving website enables charitable give any time and any place, allowing people to donate with ease, and provides schools such as St. Anastasia with a way to connect with family, friends, and supporters near and far. Last year, money raised with Give to the Max Day was used to improve technology, install a security system, and help with curriculum.

With your donation, we can continue to broaden curriculum, deepen faith, and maintain technology. Donate online, or drop off a check to the school or parish office.
